

JOHN A. CRAWFORD  
Clerk of the Circuit Court / Comptroller  
Ex-Officio Clerk to the Board of County Commissioners  
Nassau County

June 5, 2009

Honorable Barry V. Holloway, Chairman  
Nassau County Board of County Commissioners  
96160 Nassau Place  
Yulee, Florida 32097

Dear Chairman Holloway and Commissioners:

As you are reviewing the issue of possibly reinstating the imposition of impact fees for new construction, please be aware that the clerk's office has prepared the third refund request for impact fees previously collected, but not spent by the county within the six-year timeframe established by county ordinance. As you are aware, the Board of County Commissioners by resolution may extend the time allowed for the legal expenditure of the funds, but has not done so.

The three requests for refunds processed so far total **\$ 21,141.18**. I anticipate an increase in the number of requests for refunds as the unspent impact fees continue to age.

Please let me know if I can assist you further as you consider this matter.

Sincerely,

  
John A. Crawford
