Re: Tradeplex Signalization

Dear Chairman Holloway:

At the agenda review meeting last evening in the county attorney's office, I expressed questions about the unique financing suggested related to proposed improvements on State Highway 200 (Tradeplex), particularly if significant county funds are expended toward the project prior to the creation of the proposed MSBU contemplated to recoup funds from the developers.

We look forward to receiving that additional detailed information in the future that might further clarify the issues.

Sincerely,

A handwritten signature in black ink, appearing to read "John A. Crawford".
